

Droplet Digital™ PCR Scientific Conference 2022- Italy

September 14th, 2022

Università La Sapienza Policlinico Umberto I - Aula Patologia Generale

Viale Regina Margherita, 324

00198 Roma

AGENDA

9:30 **Registration**

10:00 **Welcome and Intro**, LSG Team - Bio-Rad Laboratories

10:30 **Dr. Luca Falzone**, University of Catania

'MSRE-ddPCR analysis of DNA methylation hotspots associated with cutaneous melanoma'

11:00 **Dr.ssa Claudia Alteri**, University of Milano – Pediatric Hospital Bambino Gesù

'ddPCR as a reliable tool for diagnosis of infectious agents: the SARS-CoV-2 experience'

11:30 **Dr.ssa Simona Soverini**, University of Bologna

'ddPCR for treatment tailoring in Philadelphia chromosome positive leukemia patients resistant to tyrosine kinase inhibitors'

12:00 **Dr.ssa Manuela Ferracin**, University of Bologna

'Molecular monitoring of anti-CD19 CAR-T cell in vivo expansion and related toxicities'

12:30 **Dr.Marco Giorgio Bianchi**, Digital Biology EMEA Product Manager Bio-Rad Laboratories
'New colorful insights into the Droplet Digital™ PCR world'

13:00 **Q&A / Closing and Greetings**, LSG Team- Bio-Rad Laboratories

13:15 **Lunch**
